## **“From a New Pentecost To An Unshakable Kingdom”**

### **Exciting topics of discussion include:**

**New Pentecost:** The recent Popes have consistently called the Church to pray for the grace of a New Pentecost in our time. What does that mean? What are we praying for and what can we expect?

**Charisms and Spiritual Gifts:** St. Paul tells us that “to each has been given a manifestation of the Spirit for the common good.” Peter will help us understand what the spiritual gifts are and how they are meant to function in the life of every disciple.

**Discernment of Spirits:** In this talk Peter will give a summary of St. Ignatius Loyola’s 14 Rules for the Discernment of Spirits. The 14 Rules provide a practical, powerful weapon to combat the strategies and attacks of the evil one.

**Forming the Next Generation:** In this talk Peter will address the specific challenges we face in passing on the faith to the next generation. That challenge, if understood correctly, is a moment of extraordinary opportunity for the Church.

**The Unshakable Kingdom:** Both our society and the Church are living through a period of dramatic and destabilizing change. In this talk Peter will, through the help of our recent Popes, read the “signs of the times” and help us understand and lay hold of what the Spirit is saying to the Church to strengthen us in this trial.
