

# Experience the EUCARISTIC MIRACLES EXHIBIT

Based on the works of the  
Saint Carlo Acutis

Basilica Shrine of Saint Mary – Upper Room

**FEBRUARY 21<sup>TH</sup>- FEBRUARY 26<sup>TH</sup>**

*This traveling exhibit has been created to assist those who will experience it to affirm belief in the Real Presence of the Jesus in the Eucharist. It is based upon the website created by Saint Carlo Acutis to catalogue all the eucharistic miracles that have taken place worldwide.*

The exhibit is circular and is divided into seven sections or rooms. In the first six rooms, information about the Eucharistic miracles is displayed. Each panel names a miracle, recounts the story of its occurrence and the country where it took place. The panels are arranged in chronological order from the early Third Century to 2013. Be sure to notice the date on the timeline and some of the world events that will help you to place in within the historical era.

All of the rooms point to the center of the exhibit. This is to intentionally remind us that the historical miracles we are learning about on the walls of the exhibit are all pointing to the miracle in front of us—Jesus, present in the Most Holy Eucharist! In the seventh room, the Eucharist is clearly visible in the monstrance and a place has been prepared for you to rest a while in His presence.

*"Only in God is my soul at rest" (Psalm 62:1)*
