Diocese of Raleigh Catholic Charismatic Conference: A New Pentecost and a Renewed Mission!

Letter from Maria Muratore, Director Catholic Charismatic Services:

Dear Friends,

Wow! We had a really great conference "From an Unshakable Kingdom to a New Pentecost".

Peter Herbeck did a great job. He gave us a warm, inspiring, heartfelt testimony and he aroused a hunger for the Holy Spirit. Blessings and thank you, Peter. The Surrender Band was awesome and lifted us all to new heights. The songs are still in my head and continuing to bless me. ***I believe many were healed just by hearing this anointed music and the anointed word's of our speaker.***

A special thank you to board members who took on leadership roles from start to finish. Registration and Hospitality/Catering was seamlessly executed. Everyone was greeted with kindness and love. Also, the Support team diligently took hours preparing the room, chairs and equipment. ***Everyone put their hearts into serving God and one another.***

Our prayer teams were so dedicated (many barely ate lunch) and compassionate. I saw a definite shift during the second half of the conference. What was most exciting and amazing was at the end when people (practically all the attendees) came up to the front for an outpouring of the Holy Spirit. ***God truly worked miracles as so many were slain in the spirit and stayed well beyond the ending to express gratitude and feedback and a desire to 'come back' to prayer. Many were seeking and were fed. Wow!! All the work and planning were so worth it.***

Thank you and God bless,

Maria Muratore

Come Holy Spirit!

“This Charismatic conference saw a new wave of the Holy Spirit flow over the Diocese of Raleigh. Our Lord delivered a powerful message through Peter Herbeck and a mighty outpouring of His Holy Spirit's charisms on the attendees.”

“I was so impressed with the beautiful young adults who came out to the conference. These young people are the future of the church and bring so much energy and eagerness to grow in their relationship with Jesus. They are yearning to connect with other young people who share similar values. I pray that this conference and future conferences will continue to bring people together, ignite their faith and start a thriving young adult community in our amazing Diocese”.
