We are delighted to welcome **DR. TEBALDO VINCIGUERRA**, of the **Vatican's Dicastery for Promoting Integral Human Development**.

Dr. Vinciguerra will address the Catholic call to greater stewardship of our planet and human family 10 years after Pope Francis' encyclical, *Laudato Si': Care for Our Common Home*, which challenged us to listen to the cry of the earth and the cry of the poor, and to answer these cries according an 'integral ecology' framework.
